AL GHADEER

2019 - AL MOURTAJEZ & GHARRAA by MATADOR 12 - Breeder : M. AL NUJAIFI
4 Races 3 Wins 1 Place - 2 times 1st in Gr I & 1 time 1st in Gr III - Trainer : F. ROHAUT

Prediction is a very complicated exercise, especially when it concerns the future.

In an article published in AWA Magazine N°31 (in collaboration with V. BUNTING) we praised the colt AL GHADEER, as he had impressed us during his brilliant victories in France. And now he confirms to be an extraordinary horse by winning a Gr III in QATAR on 29/12/2022 during a fierce fight with AJS JAMRAN, although the 1,600m distance was not favorable to him. Ridden to perfection by M. GUYON, trained by F. ROHAUT. How not to salute his breeder Mr. AL NUJAIFI for having bred a horse of this quality, see you very soon to write the rest of this story.

HARAS DE MONLAU

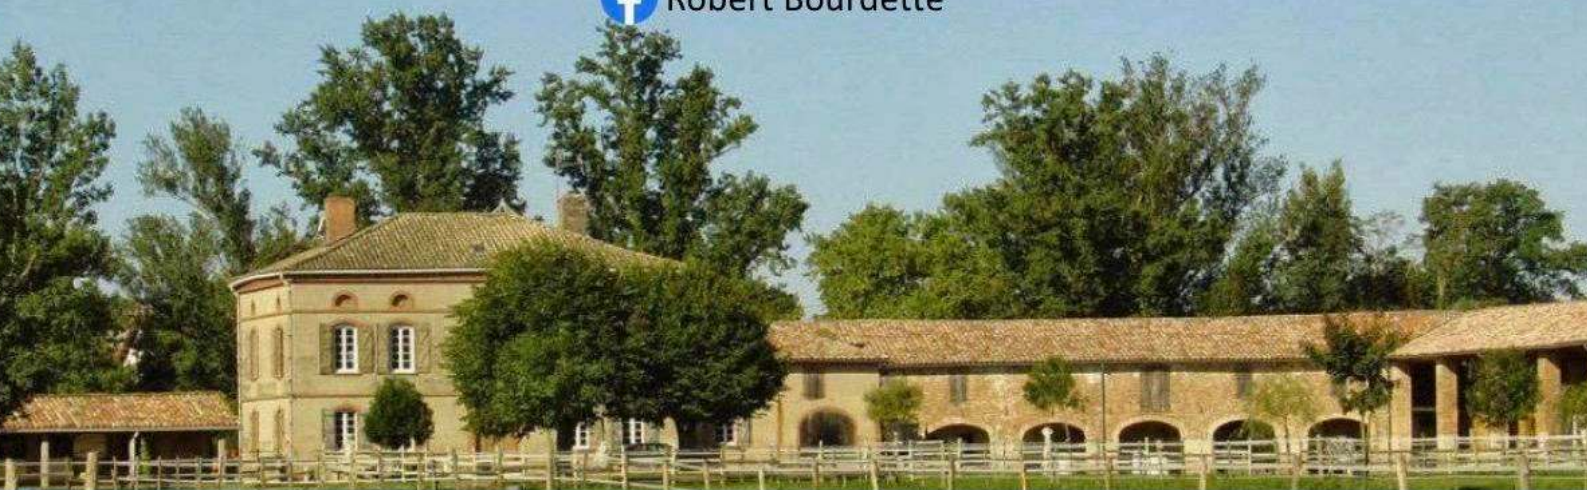

Haras de MONLAU is proud to present JUGURTHA DE MONLAU winner on 2023.03.04 of the AL MAKTOUM CHALLENGE Round III "at MEYDAN U.A.E. Trained by Jean Claude PECOUT and ridden by P. DOBBS. An additional victory for the Haras de MONLAU which concretizes the work accomplished by Marie Ange & Robert BOURDETTE in their breeding.

DJAINKA DES FORGES

WINNER OF QATAR ARABIAN WOLRD CUP 2014

Trained by J. SMART riding by C.P LEMAIRE for H.H SHEIKH M.B.K AL THANI - Qatar

In each issue of our magazine, we try to present farms which, through their success, can influence or help novice breeders. A fine example of longevity and success is undoubtedly the Haras des Forges.

Present in French breeding since the 1980s, these serious and diligent breeders have been able to last over time by breeding many champions and leaving quality stallions and broodmares to world breeding (France, UK, Morocco, Qatar , UAE, Saudi Arabia etc...)

An exemplary course for the Haras des Forges which is today one of the best representatives of French breeding.

Haras Des Forges

It was in 1981, with the purchase of the filly DLALA 1981 (MANGANATE & DJEBELLA II) that my father Mr. H. DE ROBERT LABARTHE created the DES FORGES STUD. In partnership with M. BOISSEUIL, the racing adventure began in 1984. A little later, my father and his partner Mrs. LAGIER, were going to give birth to DJARI DES FORGES 1989 CHERI BIBI & DLALA who will be crowned best filly of her generation in 1992 totaling in 8 Races 2 Wins and 6 places. Then DJARI DES FORGES was going to give us DJARNI DES FORGES 1995 (TIDJANI) 8 Races 1 Win 6 places and DJARISA DES FORGES 1996 (SAMSUN) 21 Races 4 Wins and 16 Places, among others.

It was in 2009 that with my husband S. DUBOIS I took over the farm and we settled near ORTHEZ in the Pyrénées Atlantiques in the south-west of France. Our first big winner IN 2014 was DJAINKA DES FORGES 2009 (KERBELLA & DJAMOUR DES FORGES) 19 Races 6 Wins 11 Places, who won the QATAR Arabian World Cup a big victory for our breeding, then in 2021 MAJOIE DES FORGES 2018 (AL TAIR & DJAMUZE DES FORGES) 1 Win 2 places including a 5th place in the Qatar Arabian Trophy des Fillies. Finally in 2022 DJARABB DES FORGES 2014 (SARRAB & DJOSERA DES FORGES) 58 Races 14 Wins 27 Places including a victory in the Prix S.A.R the Crown Prince MOULAY HASSAN in Morocco without forgetting DJAWAD DES FORGES 2010 (KERBELLA & DJARI DES FORGES) 8 Races 5 places, MARADJA DES FORGES 2011 (MADJANI & DJARI DES FORGES) 29 Races 3 Wins 10 Places and DJAMAA DES FORGES 2008 (MAHABB & DJARI DES FORGES) 7 Races 1 Win 5 Places.

Haras Des Forges

Today the Haras des Forges continues to vibrate with SAMLLA 2018 (ASSY & DJAKERA DES FORGES) Breeder AL SHAHANIA STUD 10 Races 7 Wins 3 Places from the DJALA line by DJAKERA DES FORGES 2013 (KERBELLA & DJARELLA) Winner of 3 Gr I & 2 Gr II best 3yo in 2021. We are pinning a lot of hopes on the very beautiful SAMY DES FORGES 2021 (AL MAMUN MONLAU & DJARELLA) out of the same maternal line that SAMLLA may be will have the same career.

Haras Des Forges

Concerning the evolution of the Haras des Forges we continue a rigorous selection of broodmares and the best current stallions. Like everyone else, we want to give birth to a future champion and for this we ensure the foals and fillies a well-being and appropriate care both in terms of nutrition, as well as on the meadows, the good quality of the limbs.

Of course, we would like to thank the buyers of performers from the Haras des Forges, mostly from the Gulf countries, for their trust in us, and hope that their future acquisitions will give them the greatest satisfaction.

The Arabian horse race has undergone a great evolution in recent years, aided in this progression by artificial insemination and embryo transfer.

Finally, at Haras des Forges we have always been very attentive to the crossings carried out, a long and difficult work of breeding, which has led us to produce horses of superior quality each year.

The most lavishly endowed races in the world take place every year in Qatar, UAE, SAUDI Arabia and France. These major races are supposed to be the best on the planet, considering that the greatest Arab performers compete there. But this is not the case because several problems tarnish the quality of these races. First of all, the majority of them are said to be " invitational races " so they are not really open to everyone and this selection in many respects may not be objective. Another major problem darkens the picture, it is the calendar of these races. How to justify that Qatar and Saudi Arabia organize in less than a week 4 group races with huge nominal values, when even a narrow mind can understand that it is difficult for a horse, however good it is, to be present during these races in such a short period of time. Or else we admit that by doing so we avoid a fair confrontation.

Finally, what about the racing conditions, if we refer to the 10 biggest events in the world, or known as such, In Qatar, UAE, France Saudi Arabia, we go from 1,850m to 2,400m and from Turf to Dirt, not to mention the weight. So how do you define which is the best Purebred Arabian in the world, even as the conditions change from one race to another. All these considerations being defined, would it not be desirable to practice a difficult discipline requiring great clear-sightedness : harmonization.

- 1 No more invitational races, but a selection of the first 5 in Gr I automatically qualified for these major races*
- 2 A calendar that allows horses to participate freely in races, with at least minus 3 weeks gap between these major races*
- 3 Identical racing conditions, so that we can define which are really the best horses. It would also help in the choice of stallions and broodmares. Creation of a 1,200/1,400m sprint circuit, a 2,200/2,400m circuit and why not a 3,600/4,200m marathon circuit*

Of course, each country is master of its races since the financing is provided by often national sponsors, but wouldn't it be constructive to think first of all of the horses, to leave aside the egos and quarrels of the big owners who earn nothing in these sterile confrontations.

Is there an organization capable of sheltering the Arabian horse from these storms: it seems so: the I.F.A.H.R whose act

Qui suis-je ?

Passionnée de chevaux et d'équitation depuis le plus jeune âge, j'ai décidé de fonder en 2014 ma propre écurie au Maroc, Al Kaiser Stud, afin de partager mon savoir-faire. Forte de nombreuses expériences à travers le bassin méditerranéen, j'ai pour objectif de participer au rayonnement du Pur-Sang Arabe dans le monde.

Mon parcours

- **2008 - 2010** : cavalière de compétition (France)
- **2011 - 2014** : entraîneur de chevaux d'endurance à Al Doum (Maroc)
- **2014 - aujourd'hui** : fondatrice & propriétaire de Al Kaiser Stud
