CALIGOLA : 1998 VEINARD AL MAURY & ELMAS BY MEDAR
At 3 years old 4 Wins At 4 years old 1 win At 5 years old 1 win
Breeder DERIU ANTONIO

He bears the name of a Roman emperor, like him he comes to us from Italy, he was a very respectable performer in the race and has a remarkable career as a stallion. He has in his pedigree the best French lines by his father VEINARD AL MAURY (KESBEROY x VALSE DU CASSOU by BAROUD III) the line of ZULMA which gave NEVADA II and by his mother ELMAS (MEDAR x FERTILLA by FANION II) the line of EM ARKOUB who gave MANDRAGORE Dam of MANGANATE and MANAGHI. Indeed in EM ARKOUB gave two basic mares EMSALIFER 1886 BY NARGHILE prolific stock in France parent among others of MANGANATE, TIDJANI, DORMANE, MANDORE, MANAGHI ETC... and LAODICEE 1882 by DJERASCH Italian stock of a large number of performers and reproducers such as: GITANE, TIERCE GUITAR, GUTTA, NAIADE ETC...The Italians breeders have been farsighted to keep these lines despite the fashions that they are congratulated.

— TO JEAN-YVES BONNET —

Last May Jean Yves BONNET passed away at the age of 88. Originally from Salmiech in Aveyron, he traveled an atypical path for a child that nothing predestined to such a destiny. Admitted to Saumur, creator of the salt route, horse trainer for cinema and television, he even received the Legion of Honor. This unique man in the horse world once agreed to participate in an animation during the Montauban show, and during his visit he was unanimously acclaimed, for this moment shared with him and many others who are intimate thank you for that. Good road to you.

Haras du Cayrou

Created in 1820, the racecourse of AURILLAC in Cantal, is the oldest French racecourse with that of TARBES. Endowed for years with the longest straight line in France, it has seen many Arabian horses tread its tracks until very recently.

This establishment responded to the demand of the many breeders in this region of Anglo-Arab and Arabian horses, bred in a rich soil that had already proven itself for cattle breeding.

It was therefore only natural that Jean Marie BALDY, a local entrepreneur, would decide to acquire an agricultural property in order to take advantage of this unique land to breed horses there, the adventure would begin in the 1980s. Owner of Arabian show horses, including HABDUR and DIA OUA which enjoyed great success by winning numerous competitions in France and abroad. Following which came the acquisition of Arab mares such as JASIDJ, SIHAM, BUCOLIQUE etc. which at first had to be covered by the Anglo-Arab, IRIS NOIR, but fate was going to play a good trick on J.M. BALDY since the stallion on duty at the stallion depot was going to introduce him to an Arab stallion who made our breeder change his plans, it was DORMANE, the Haras DU CAYROU was born and D. CAUMON and J.M BALDY were going to experience a unique destiny of breeders and owners. From DORWAN DU CAYROU to JOSCO DU CAYROU, FROM ROGHEDA to EMMA DU CAYROU, In France, Italy, U.K, U.A.E, QATAR Saudi ARABIA, on flat races and in endurance, the production of HARAS DU CAYROU is present affirming as J.M BALDY likes to point out, that its secret is a unique terroir of which act.

PREMIO MILANO - U.A.E PRESIDENT CUP MILANO - ITALY

The SNAI San Siro Racecourse hosted the sixth edition of the MILAN U.A.E PRESIDENT CUP (Group II 50.060 €, 2000m P. average), the most important event of the year in Italy for Arabian horses. Reserved for 4 years old and over, the race was won again by JARIF. But if in 2022 it was the son of DAHESS who benefited from the relegation of the winner AMWAJ AL KHALEDIAH from 1st to 3rd place, this time it was the 7-year-old trained in France by M. J.F BERNARD and belonging to H.M AL GHATANI who risked being left behind, for a slight widening which in the closing stages hindered GHAZI AL ZAMAN, favorite of the race. However, the race officials of the day decided to leave the order of arrival unchanged.

JARIF now boasts 3 victories and 1 place in the 4 races held in Italy: for him this is the fourth success in the U.A.E President Cup circuit, after DUINDIGT 2021, OSTENDA 2022 and DUINDIGT 2022. In these circumstances he had Marco MONTERISO riding, twice winner of the Italian Derby (with De SICA in 2005 and Gentlewave in 2006) and with JARIF already scored last October in Group 3, in the Milano Jockey Club P.S.A Prize

On very smooth terrain, the race had DUMAS as the pacesetter, ahead of JARIF, AUNAR DE PINE, DIVINO in the outside lane, GHAZI AL ZAMAN and MAK'AMERA. Positions almost unchanged on the front straight and on the medium curve of the track, then JARIF immediately put pressure on the leader DUMAS on the finish line. Taking the lead, JARIF was approached from outside by AUNAR DE PINE, while GHAZI AL ZAMAN stayed in his slipstream but did not immediately find the space to approach him. When this succeeded, JARIF accelerated further and in full effort he slightly widened on GHAZI AL ZAMAN, who had a hesitation and only in the last few meters did he noticeably approach his opponent. At the finish line JARIF maintained a head lead over GHAZI AL ZAMAN, with AUNAR DE PINE clear third close to the first two and best among the Italian owned horses. Fourth place for DIVINO

ART PHOTOGRAPHER

Gabriele Boiselle

PART.2 - HIGH PHOTOGRAPHER FOR ALL BREEDING HORSES IN THE WORLD

Text William Richardot de Choisey

Translation by Sonja Smaldone

Pics courtesy from Gabriele Boiselle Editions

In addition to being a wonderful friend and a visceral lover of horses in general with whom we have both shared intense moments, Gabriele Boiselle, a great specialist, shares her professional experience during photography courses throughout the world, publishing reference works that get rapidly sold out in bookstores

at each publication. The simple and more fair thing is to let Gabriele Boiselle express her vision mainly regarding purebred Arabian horses, in which she has demonstrated unwavering interest for more than thirty years. Below is a beautiful selection of her writing:

“La noblesse et la beauté des chevaux arabes ainsi que leur grâce et leur élégance sont vraiment hors pairs et ne laissent personne indifférent.”

Depuis des siècles ils fascinent les hommes, aucune race de chevaux n'est aussi appréciée de nos jours et n'est aussi répandue à travers le monde que les pur-sang arabes et aucune autre race n'a autant marqué l'histoire.

Son origine est entourée de nombreux mythes et ses qualités exceptionnelles sont exaltées dans beaucoup de légendes, il s'agit d'être tout à fait particuliers, leur présence nous donne l'impression

de rapprocher l'homme et l'animal par le cœur, ils nous ensorcellent par leur charme et sont capables de toucher au plus profond de notre âme avec leurs grands yeux".

"The beauty and noble appearance of Arabian hor-

ses as well as their grace and elegance are unique and we all feel moved by them. For many centuries humans have been fascinated by these horses, today there is no other breed which is so popular and widespread across the world as the pure bred Arabian and no other horse breed has had such an impact on history. There are countless myths concerning their origin as well as their unusual abilities many of which are also exalted in legends, they are very special beings, in their presence we feel the mutual bond and common heart of the animal and human being, the captive us with their magic and their big eyes are able to penetrate deep into our souls".
