BF Arabians

Jean Pierre BOUDAUD, endurance rider, began his Arabian horses sports breeding as a non profit club, practicing his first breeding season in 2012. Three years after in 2015 his amateur breeding farm was replaced by a professional structure « BF Arabian » abbreviation named JP Boudaud and his wife Céline FERIAQUE. The stud is located in the north of Correze, where Anglo Arab came from, at Margnat le bas near St REMY.

Jean Pierre & PATINETTE DU SCEUX

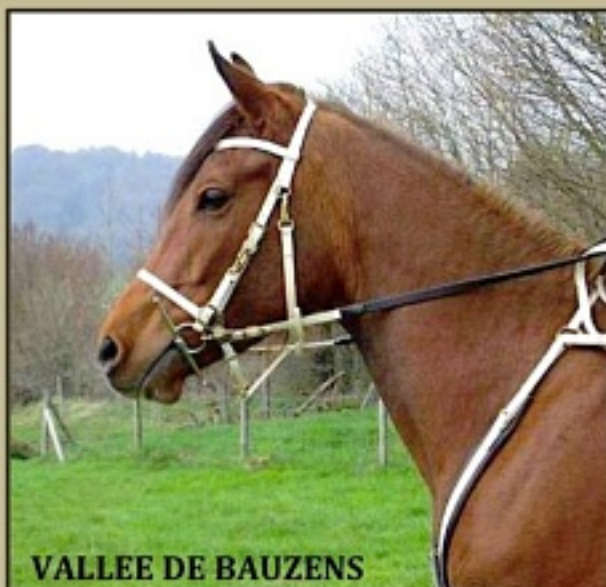

With his wife also endurance rider, Jean Pierre BOUDAUD ride reformed trotters in endurance races then half Arab , and finally a young thoroughbred not so easy to trained, but with which JP won his first 20 and 60 km races.

**VALLEE
DE BAUZENS**

ALMERA DE TYV

VALLEE DE BAUZENS

Thereafter the first two Arabian mares were bought, URANIE DE BAUZENS a filly by OUMZIL TOBIHA x GAMOURAH By MADMAYMOUR and her sister VALLÉE DE BAUZINS By PERSICKO x GAMOURAH by MADMAYMOUR this two fillies are bred by C. FAUMONT. And finally Jean Pierre and Céline bought on love at first sight an old Tunisian line (preserved by M. MAUVY) stallion KOHIBA DE STE MARIE bred by Mr G. NICAULT. It is with him that Jean Pierre and Céline have learned the hard and rewarding profession of breeder.

The stud farm is now extended on 4 hectares, several paddock with shelters and 8 inside stable, 3 inside foaling stable, echography and insémination facilities.

Today the breeding program included 5 broodmares :

LG FAROUK DE SHEBAB

In 2015 Jean Pierre has participated to the French Endurance Championship with VALLEE DE BAUZENS, an exciting season because VALLEE DE BAUZENS was crowned French Championship of Beau & Bon Championship and was ranked Très Bonne with a recovery pointon the very difficult free speed race in UZES. For 2016 Jean Pierre and VALLEE de BAZENS would like to participated in World Championship at Negrepelisse race.

The half sister of VALLE DE BAUZENS, URANIE de BAUZENS ridden at 6 years race this year on 60-80 et 80km free speed and Jean Pierre and Céline hope to race her with VALLEE on International 130km race at the end of 2016. The same year begin the work for LG FAROUK DE SHEBBAB who do not breed before 2017.

BF ARABIANS, have always work their horses in « calm and serinity » Jean Pierre has participated to differents ethology training with Andy BOOTH and Haras de la CENSE. The horses in training in the farm drink only clear water and the special hay from Correze. According to their activities the horses in training received the best food supplements.

VALLEE DE BAUZENS

KOHIBA DE STE MARIE

In an immediate future, Jean Pierre and Celine would like to created an equine breeding center, to made available for all breeders : Insemination and echography facilities, gynaecology Vet's etc...concerning the mares BF Arabians would like to keep only the mares and stallions already in farm without increase their livestock . Very soon the first production of KOHIBA ste MARIE will be on the racetrack, Jean Pierre and Celine will continue the endurance races with VALLEE and URANIE DE BAUZENS on International races and FAROUK on SHF races.

" End is winning " that's the motto of Jean Pierre and Celine who are persuaded that with more anti doping controls, the increasing of speed controls on 130km and up, or for example 10minuts more on rest time endurance races will be safer for horses and what we care about is well being of our horses.

Completed in 2012, La Plaine du Séqué has many purposes.

Welcome worldwide Endurance riders and horses in an suitable, comfortable, friendly place, and supply them optimal conditions (200Km of perfectly groomed tracks in the heart of the Landes forest) for their training – punctual or long-lasting.

But as an association, La Plaine du Séqué is in no way intended to become the only discipline's player in the Region. That is why we have decided, for exemple, not to organise Club races, nor national races within 90Km on the same week-end as another surrounding national race, and to favour the local economy - hotels, caterers, providers, etc.

Furthemore we renounce our share of different regional subsidies dedicated to the Endurance, inviting distributor bodies to develop another events. The Endurance riding is our passion, and we believe that passion only has value if it is shared...

STONEHENGE FARM XLIV

**STONEHENGE FARM XLIV
IS LOCATED OUTSIDE SASKATOON SK CANADA**

At Stonehenge we have been specializing in breeding Anglo Arabians, Arabian Sport horses and Heritage Bred Arabians for over 20 years now.

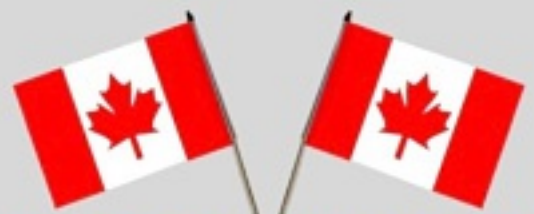

With a few of our horses bred and trained going on to compete well in the Open show ring, Hunter, Jumper and Dressage.

Our focus has always been producing top Amateur Mounts in these disciplines performance, temperament, health, endurance, soundness and workability.

This is one of the main reasons we have used the Old heritage Arabians as our base which started and was inspired back when i was just a Teen with my first Polish Arabian mount TORAAR a EDYTOR son who stood 15:3 hh. Here I am pictured in my youth with him.

STONEHENGE FARM XLIV

Over the past 20 years in our search of finding the historical polish Arabian We came across Roxanne Roger , who was a wonderful wealth of knowledge In many of these horses. This cemented home the desperate need of preservation.

Fast forward today and we have committed our future to preservation of these now, rare gems. With our recent purchase of IL KASH.

KORSARZ was imported/sold late in life into Canada to help preserve some of these rare endangered Polish Performance Arabian bloodlines by [Roxanne Rogers](#), [Ina Lohmann](#) and [Kim Tucker](#). IL KASH breeder is [Ina Lohmann](#). Out of AURORA KS a Beautiful Bay Mare bred by [Roxanne Rogers](#) who is sired by ARWITRAZ by GAYPOLKA x ARWISTAWA. Out of BLOCHERS POULA a ELDON'S WOTON x MS ALETA tail female line to the ARFA.

IL KASH

STONEHENGE FARM XLIV

Our Goals are to preserve thru his offspring and prove their performance on the race track. As well as work towards developing Arabian Racing in Canada again, which At this time does not exist. We hope to work with our local Saskatoon race Track which currently has Thoroughbreds running a short season. Combined with our similar climate to Poland, we know this part of Canada will be an excellent future for the reestablishment of the historical polish Arabian With our goal also to locate and preserve all the rare sire and dam lines left In North America today. It is our hope that others thru education will commit them self's to this venture Of the reestablishment of the historical polish horse for our future generations.
