OMAR LAKJAL

THE RISE OF A MOROCCAN JOCKEY AT THE TOP OF HIS GAME

Raised in a family deeply rooted in horse culture, Omar Lakjal was destined to ride long before he ever set foot in a starting gate. Surrounded by breeding, training, production, and horse ownership, he grew up in an environment where the world of racing wasn't just a passion it was a legacy.

Early Beginnings Shaped by Family Tradition

Omar discovered his talent very young. At only 15, he rode in his first official race. That same year, he celebrated his first victory an achievement that marked the start of an extraordinary journey. His first trainer was his father, the person who gave him the foundations that would shape his riding style and discipline. Together with his brothers, who also played an important role in his development, they became the most influential figures in his career. "They have always guided me and helped me become who I am today," he explains.

A Strong Record on Moroccan Tracks

Throughout the years, Omar Lakjal has built an impressive reputation on the Moroccan racing scene. Among his most notable victories are:

- The Sorec Grand Prix
- The Defi de Galop (GIII)
- The Hassan II Grand Prix

These consistent achievements have pushed him to the very top of national rankings. Today, Omar proudly holds the number one position in the Golden Whip standings, confirming his status as one of the leading jockeys in the country.

Representing Morocco Abroad

Ambitious and driven, Omar's talent has taken him far beyond Moroccan borders. He has proudly competed internationally in: France, Italy, Poland, Turkey, United Arab Emirates, Tunisia, Libya

These experiences have strengthened his desire to go even further.

"I'm one of the top jockeys in Morocco maybe even the best and I love being at the top wherever I go. If I had the chance to ride in a better place, I would take it," he says confidently.

A Versatile Rider with Clear Preferences

Omar rides Purebred Arabians, Thoroughbreds, and Anglo-Arabs. Although he is skilled with all three types, he does have a favorite: "I enjoy riding the English Thoroughbreds the most," he admits, attracted by their speed, power, and responsiveness.

OMAR LAKJAL

THE RISE OF A MOROCCAN JOCKEY AT THE TOP OF HIS GAME

Looking Toward the Future

Even at the peak of his jockey career, Omar is already thinking ahead. He hopes one day to become a horse trainer, a natural continuation of his family heritage and a way to stay connected to the world that shaped him.

His Vision for Moroccan Racing

Deeply attached to Morocco and its racing industry, Omar believes in its potential. He also sees room for improvement—better opportunities for jockeys, more visibility, and stronger international presence. These are subjects he cares about, and hopes will evolve in the coming years.

The Journey of a Champion with Global Ambitions Still young, yet already highly accomplished, Omar Lakjal embodies the new generation of Moroccan jockeys: talented, disciplined, ambitious, and proud of their roots. With a solid list of achievements, a first-place Golden Whip ranking, and a strong desire to make his mark internationally, Omar continues to rise confident, determined, and ready for the next challenge.

HARAS DE CARRERE

RUBIS DE CARRERE & GUY DELL'OVA

At AWA MAGAZINE, for years we have made it our mission to highlight French breeders who, through their hard work, deserve to be in the spotlight. GUY AND ERIC DELL'OVA from Haras de Carrere are a perfect example of unparalleled success. For over 40 years, Haras de Carrere has maintained its presence in the global breeding world through its results and influence and given the recent achievements of ERIC DELL'OVA with Lino, whom he trains (breeders ERIC DELL'OVA & Y. SCHULZ), it will continue to be a force to be reckoned with in the future.

HARAS DE CARRERE

It was in the 1960s, upon returning from Algeria, that the DELL'OVA family settled in Buzet-sur-Tarn, a town in southwestern France located a few kilometers from Toulouse. Initially focused on cattle breeding, the family property, under the impetus of Guy DELL'OVA, turned to horse breeding in the 1980s, reflecting the passion of the owner. He began with trotting horses, but fate intervened, bringing him into contact with JEAN BACQUELLA (one of the greatest French breeders of the century) at the Vic-Fezensac fair, and the saga began.

From JEAN BACQUELLA, G. DELL'OVA acquired JINA DU CASSOU, LAIDA DU CASSOU, NEVADOUR, AND SAMBA. He also leased BAROUD III, a prominent stallion in the world of breeding, from the same BACQUELLA. Two of these mares, among others, produced horses that left their mark on the Haras de Carrere stud farm: RUBIS DE CARRERE and ROYAL DE CARRERE. In 1987, G. DELL'OVA obtained a trainer's license and, with the advice of R. CATUSSE, a trainer in Toulouse, sold these two horses. However, he bought them back shortly afterward, which proved to be a wise decision, as they went on to win and became the first winners for this new and unconventional trainer. GUY DELL'OVA was also one of the pioneers of the revival of horse racing in France.

1st ROUMBA DU CASSOU 2nd RUBIS DE CARRERE Prix DENOUSTE TOULOUSE 1990

HARAS DE CARRERE

He was both a founding member of France Arabe Course, the association that brought the French origins of the breed to the world's attention, and a successful participant in international races such as Kempton Park, Sassari, and Frauenfeld. He also consistently supported new races established in France, including those in Marseille, Lyon, Salon-de-Provence, Evry, and Craon. Furthermore, he contributed to the organization of the Purebred Arabian Gold Awards held at the Arab World Institute in Paris, and most notably, he had the audacity to present RUBIS DE CARRERE to the world press on the steps of the Institut du Monde Arabe. Since those early years, GUY DELL'OVA and his son ERIC have maintained the Haras de Carrere stud farm at the highest level, winning numerous races each year in France, the Middle East, and wherever the Arabian racehorse has been able to compete. RUBIS DE CARRERE is today the foundation of the ITALIAN-SARDINIAN breeding program, BIBI DE CARRERE is one of the best sires of winners in the UAE, and DANIE DU CASSOU produced DAHESS, a fine continuation of the lineage.

MURAAQIB & NEIGE AL MAURY by DORMANE-

Breeder : DANIEL STUD - 3 Races 1 win 1 Place

Presented by : F. ROHAUT - Buyer : M.K BLOODSTOCK - for 245.000€.

2025 TOP PRICE

The ARQANA Arabian horse sales in 2024 were a good edition if we consider the figures. With 76 horses sold for 106 horses presented, and an average price of 47,105 euros. Unfortunately breeding horses had little success with few horses sold and very low prices for those that were. What can we say about ASEDAN top price of the sale for 300,000 euros, holder of 3 races 1 Victory and 2 places before the sale, but which did not confirm its status of top price of the sale, obtaining a not very encouraging 6th place in the QATAR ARABIAN MARES TROPHY on 05.10.2024
